

Navigating the Future of Risk

October 26 – 27, 2025
Switzerland

The global landscape is evolving faster than ever. Emerging technologies, shifting demographics, and evolving geopolitical, socio-economic and environmental dynamics are driving unprecedented changes and creating uncertainty for individuals, businesses and communities. Insurance is the antidote for uncertainty, so as global risks grow more complex, the industry must adapt, innovate and lead.

Join top executives, visionaries, and experts as we navigate the future of risk, explore ways to harness innovation and collaborate on smart solutions to turn challenges into opportunities, strengthen global resilience and redefine the role of insurance in a rapidly changing world.
