What we do

Driving Leadership and Innovation in Insurance and Risk Management

IIS advances the global insurance industry by driving collaboration and thought leadership, offering talent and leadership development resources, and recognizing industry achievement.

Programs and Initiatives:

Thought Leadership & Networking:

- **Global Insurance Forum:** Preferred access to annual conference of c-suite executives and experts
- **Global Priorities Survey:** Annual survey of industry issues and opportunities
- **Topical Working Groups:** Member driven focus groups, positioned to advance collaboration and define future research priorities
- **Thought Leadership:** Access to a compendium of research, insights and whitepapers

Talent & Leadership Development:

- **RGA Leaders of Tomorrow:** Mentorship program that cultivates next generation leadership
- **Shin Research:** Annual study that explores talent and leadership trends and evolving needs
- **Board Education:** Providing executive education to equip board members with essential knowledge
- **Knowledge Group:** Delivering technical knowledge for professional development

Awards & Recognition: Celebrating the achievers and achievements in insurance

- **Insurance Hall of Fame:** Honoring the most influential industry leaders
- **Vanguard Market Development Award:** Recognizing efforts to expand insurance access in emerging markets
- **Global Innovation Awards:** Highlighting groundbreaking advancements
- **Global Centers of Insurance Excellence:** Elevating the top global RMI university programs
